Almost Blind

Scrofula Affects the Eyes—Little Boy Treated by an Oculist Without Relief—But Now He Is Well.

"When my little boy was three months old his eyes became very sore and he was almost blind. I took him to an oculist who treated him for six months, and left him as bad as he was at the beginning. Finally Hood's Sarsaparilla was recommended and I began giving it to him. In less than three weeks he was able to go into the sun without covering his eyes, and today his eyes are perfectly well, and his ears and nose, which were badly affected, are also well. Hood's Sarsaparilla has certainly done wonders for my boy." MRS. JAMES H. PAINTER, Amador, California. Remember

SUNDAY SCHOOL UNION.

Organized Movement for Better Development of Sunday Schools.

A Sunday School Union, the primary object of which is to assist in the study of the Sunday School lessons, is to be formed under the direction of Prof. Theo. Richards.

The general scheme of this new movement is to bring together each week all persons interested in the study of the Sunday School lessons used by the Evangelical churches. Any and all persons of any religious belief will be invited to attend. The meetings will be held Friday afternoon in the Y. M. C. A. hall from 4:30 to 5:30. The lesson of the following Sunday will be discussed. The plan is similar to that used in many of the large cities in the States. Not only the points of the lesson in the hand will be brought out but general instruction and discussion of Sunday School management, methods of teaching, blackboard work etc. will receive attention. At the first meeting a board of officers will be elected and the necessary details of organization attended to.

Good for Jimmy.

Clerk A. F. Tavares of the Second Circuit Court, Maui, is evidently resigning his position. Chief clerk Henry Smith has received a letter from Judge Kalua requesting him to prepare papers to qualify James N. K. Keola, clerk of the House of Representatives, who will be commissioned on the 15th instant to fill the place. Mr. Keola is well known and his friends think he is competent to occupy the position. He is a Oahu College boy, with some years of newspaper reporting thrown in, besides having had some mercantile business experience.

DID YOU EVER SEE A SNOWSTORM IN SUMMER?

We never did; but we have seen the clothing at this time of the year so covered with dandruff that it looked as if it had been out in a regular snowstorm.

No need of this snowstorm. As the summer sun would melt the falling snow, so will

Ayer's Hair Vigor

melt these flakes of dandruff in the scalp. It goes further than this: it prevents their formation.

It has still other properties: it will restore color to gray hair in just ten out of every ten cases.

And it does even more: it feeds and nourishes the roots of the hair. Thin hair becomes thick hair; and short hair becomes long hair.
